Log Milling - Lucas Milling

Log Milling - Lucas Milling

Cuts maximum board size of 200mm
Slabber attachment cuts slabs for table-tops
Can accommodate logs up to 6 metres long

We do transplants and relocations of all sizes, be they simply in another location in your garden or sourced from other Australian locations.

Check our other pages for palms (Canary Island), Cycads and ferns for sale.

Do you have a palm or fern you would like to make available for sale?
Contact us for a proposal or direct sale.
