News - Queensland's largest Tree Spade

Queensland's largest Tree Spade. Mounted on 4 wheel drive highly maneuverable tractor.

This new addition is in operation predominantly doing nursery work throughout South east Queensland

Ace of Spades is able to undertake relocations with this unit in any Australian location.

We are located in Toowoomba Queensland which positions us ideally for relocations anywhere on the Eastern seaboard of Australia.

Contact us now for an early quotation on your tree relocation needs.
