Tree Surgery

TREE SURGERY

We specialise in tree pruning, reductions or removals.

Skilled rope and harness usage.
Felling, lowering or crane assisted removals.
Palm Seed harvesting.

Full public liability insurance included in your price.

Recent Grey gum - full removal in preparation for upcoming renovations,
mulching, grinding and logging of stem into firewood lengths.

Location Carlton street Toowoomba.

Tree was located between 2 buildings with driveway and gardens close to the
base on one side and side fence in close proximity on the other side.

Several limbs required roping down to avoid damage to paved areas, garden
beds and driveway.

Ace of Spades drew a substantial crowd of neighbourhood watchers as the
final tops were removed.
